HAPPY
NEW
YEAR!

America's Oldest
and Largest
G.Gauge Modular
Railroad!

A WORD FROM THE PRESIDENT

2017 marks the 30th anniversary of the Del Oro Pacific Modular Railroad. On behalf of the Board of Directors, I would like to wish all of you a safe, prosperous and healthy new year. 2016 was a memorable year for our club especially with our participation in the National Garden Railroad Convention in Santa Clara. A large turnout of members made the layout easy to set up and tear down and the tremendous crowds got to see the finest modular layout in the world. In 2016, we also gained several new members but lost one of the stalwarts of our club, Jim Creasman. Jim and Gayle graced our club since its inception. Jim was a founding member of Del Oro; served for 10 years as the club's first president; came up with the idea of hauling our modules around in trailers; taught us to load trailers; and was an all-around good friend and exceedingly generous human being. Jim was also a mentor to me and other members of the club.

Besides the national elections, 2016 was the year for Del Oro to elect/re-elect a slate of members to the Board of Directors. Three new nominations went to Vic Thies, Josef Rieder and Joe Rossi Sr. They will be joining me, Martin Orozco, Garrett Paine, Joe Jackson, James Kruger and Mike Zelenak for a new two-year term on the Board of Directors. Sorry to say, opting not to return to the Board, were long-time members Bob Keller, Gary Welch and George Konrad. Bob was a past president and a guiding force on the board

for a number of years. Gary served as treasurer for many terms and somehow kept us in the “black.” Long-time member and modeler George has temporarily pulled into the locomotive shop for repairs. Bob, Gary and George will continue on hand to keep the yard operating smoothly as well as keeping the trains on the track. On behalf of the Board and members, I would like to thank Bob, Gary and George, for their devotion, dedication and service to our club.

Joe Jackson is continuing to keep us in the “show loop,” for 2017 beginning with Costa Mesa (Orange County Fairgrounds) on January 14 and 15, with setup on Friday the 13th of January at around 12:30 p.m.; Pomona (Fairplex) on February 11 and 12, with setup on Friday, February 10 at 12:30 p.m.; and Del Mar (Fairgrounds) on February 18 and 19, with setup on Friday, at 12:30 p.m. If you are planning to stay the weekend in Del Mar, make your reservations now. Call me if you have any questions. I hope as many members as possible can make these shows. We have new scenery for 2017 including crickets and other natural sounds in Ted Greeno’s revamped “Field of Dreams,” and alligator modules and hometown scenes by Sonny Wizelman, to name a few.

Happy New Year!

Dennis Packer, President
